## About

Gigi is an outdoor collection which embraces Lloyd Loom weave and takes it to the next level. Lloyd loom is a unique material made of twisted paper which is extremely strong and at the same time very pleasant to touch. By coating the unique material with latex, the furniture is even stronger can consequently be used outside.

## Materials & care

- Lloyd Loom weave on an aluminium frame
- Base: stainless steel or black powder coated steel
- Felt glides
- Clean your furniture with a damp cloth every three months.
- Store indoors during cold and rainy weather conditions.
