Colour

- Black (S008)
- Taupe (S011)
- Beige/Stone white (S015)
- Moss (S016)
- Indigo (limited-edition, S025)

About

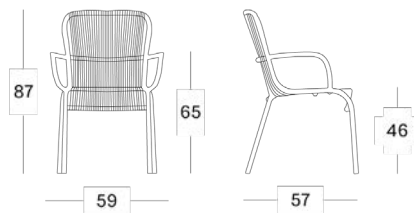

Attractive design and amazing functionality: Loop combines the best of both worlds! The Loop collection is light to handle and move around, allowing you to follow the sun effortlessly. The Loop chairs' stackability contribute to the collection's flexibility. In terms of design, the see-through chairs give a light and airy look to a veranda or terrace, allowing air to circulate through the tautly strung construction. The sunlounger is adjustable into 5 positions, enabling you to find your perfect seating position. The Loop range consists of a dining chair, lounge chair, footrest, coffee table, side table, sofa and sunlounger.

Materials & care

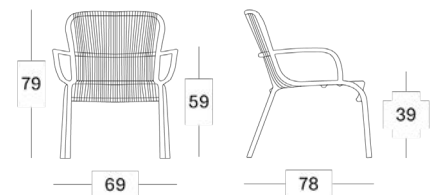

- Polypropylene (rope) or polyethylene (black) fibres on a powder coated aluminium frame.
- Use a fabric and upholstery protector to give optimal stain resistance.
- To clean spots on the rope: apply a mist of a soapy water solution with a spray bottle and then work the solution into the rope with a soft cloth by patting or rubbing gently. Rinse thoroughly and blot excess moisture from the rope using a soft cloth. Allow the furniture to air-dry.
- Never use a high-pressure hose on polypropylene rope.
