About

A charming collection of traditional Lloyd Loom furniture which is timeless yet contemporary, and extremely strong. Each piece has been handcrafted to perfection and is designed to be passed on to the next generations. Because of a special latex coating, there's no need to put your favourite outdoor chairs inside after enjoying a nice summer day. Still, it is preferable to store them indoors during humid and cold weather conditions.

Materials & care

- Lloyd Loom weave on an aluminium frame
- Nylon glides
- Nîmes dining table: standard brass feet. Chrome feet upon request.
- Clean the furniture with a damp cloth every three months

Colours

Fabrics

- High Resilience foam
- With piping
- All available cushion colours are shown below.
- Please protect the cushions from rain.
